**APPLICATION**

Plaintiff Sharidan Stiles ("Stiles") hereby applies for an order allowing Stiles to exceed the page limit for a memorandum of points and authorities in support of the Opposition to Motion to Dismiss First Amended Complaint.

Stiles respectfully submits that good cause exists to allow her to exceed the twenty (25) page limitation because the nature of the motion to dismiss, involving both federal claims and state claims, the 25-page length of the moving brief and accompanying request for judicial notice render it impossible to address the issues raised by Defendants' motion within the page limitation. Despite a good faith effort by Plaintiff to comply with the page limitation, it was impossible to do so while sufficiently addressing all the necessary issues in 25 pages. Based

upon the foregoing, Plaintiff submits that good cause exists, and thus, the Court should grant this Application.

Respectfully submitted:

I, Sharidan Stiles, declare:

1. I am the plaintiff in this action and I am the owner and inventor of the Stiles Razor.

3. Accordingly, I respectfully request leave to exceed the page limitation.

I declare under the penalty of perjury under the laws of the State of California and of the United States that the foregoing is true and correct and if called to testify as a witness in this matter I can and will testify competently as to the matters of fact contained herein based upon my personal knowledge.
